

## REGION 2 MONTHLY MEMO July 2000

COMMODORE PETE MOHNEY  
REGION 2 REGIONAL COORDINATOR

Greetings from Region 2 Headquarters!

Congratulations to Jack Eaton, who has applied for and been accepted as Starfleet Headquarters Recruiting Officer for Region Two! This position has been open since I resigned it about the time I decided to run for the office of Region 2 RC, about two years, so I am very happy to see it filled.

Another SFHQ position that has been taken by an R2 member is that of Vice Fleet Division Chief / Medical and Health for Regions 2, 3, 6 and 7. This job has been given to our own RDC Medical, Rosa Jackson. Rosa writes, "I will be gathering information on medical department activities, data on chapters Medical Department personnel, etc. The FDC along with the VFDC's will be a coordinating agency among the Regions on information and anything else pertinent to the Medical Department. I would also like to find out about your Region's award program, if you have one." Congratulations, Rosa!

Amazingly enough, a third Fleet level appointment this month is Dave Letts, of the USS Paegan, has been appointed SFHQ – VFDC Chaplain/Counselor for Region 2. Dave writes, "As of 7/16/00 I have been appointed the VFDC-R2 Chaplains/Counselors, STARFLEET by Brigadier Rev. Dennis Rayburn, FDC-Chaplains/Counselors STARFLEET. My duties as Chaplain are to offer spiritual comfort for those who seek it, a friendly ear (confidential of course), and to provide information as to finding ordained ministers to officiate at a Trek event (wedding, funeral, etc.) if asked. While being as un-obtrusive as possible. (for anyone who knows me, this could be a deal killer). For those of you who chafe at the idea of this type of position or department in STARFLEET, I would gladly discuss the matter via private email. My address is [lettstrek@aol.com](mailto:lettstrek@aol.com). Please feel free to visit my chaplain's webpage at [www.geocities.com/athens/cyprus/1574](http://www.geocities.com/athens/cyprus/1574). I would love to hear from you about the content, especially the "Spirituality in the Star Trek Universe" link." [No picture of Dave was available at press time.]

I received an email from Bill Paul, Region 2 Quartermaster, informing me that his work life, school life and home life were keeping him too busy to be able to devote himself to the job of Quartermaster as much as he felt it needed. For those reasons, he has decided to resign. He will hold the position until he is replaced.

If you are interested in applying for the position, please email Jennifer Rosbury at [jrosbury@hotmail.com](mailto:jrosbury@hotmail.com), or write her at  
579 NW 41st St. Apt. B.

Oakland Park FL 33309

To apply for the position, you must be qualified as below (from the R2 constitution)

"The Region 2 Chief of Quartermaster is responsible for sales of items created or purchased specifically for Region 2 fund raising. The Chief of Quartermaster will report monthly to the Regional Coordinator on sales of items, items remaining in stock, will seek out and suggest new items or items that should not be restocked. He or she will turn over income in excess of expenses to the Regional Chief of Treasury on a monthly basis."

Note that email is not required, but it would be a huge aid in doing the job. Also note that the Quartermaster is responsible for the items in his or her possession, and the money gained thereon.

The Region 2 Medical newsletter, "Heartbeat," has a deadline for the next issue of October 15. If you would like to contribute, please send your articles or other material to Rosa Jackson at [rjackson@evcom.net](mailto:rjackson@evcom.net).

Region Two member Jimmy Whatley has undertaken the job of Starfleet Birthday Officer, a position where he sends out email greetings and announcements of the birthdays of Starfleet members. If you would like to be on his list, please email him your name and birthday to [lwiz3@yahoo.com](mailto:lwiz3@yahoo.com).

I have gotten quite a few photos from various people who attended the Summit, and I would like to thank them all for their contributions. These photos will be posted to the Region 2 site, to the main SFI site, and I will be using them here and there in the Memo over the next few months. We had a lot of fun, and I expect next year to be even better! The crew of the Continuum, under the leadership of new CO Bruce Dolan, are meeting regularly and making some fun plans for the 2001 Summit (some of which they are keeping secret!).

I polled the Commanding Officers of the Region, and got approval to spend \$300 on merchandise for the 2001 Summit Auction (much like I did last year). I will shop for cheap auction items, mostly at local sales and on eBay, and account for all the expenses with the R2 Treasurer. I have already bought a few items, mostly Star Wars things on sale now that the hype is wearing down.

I had an idea for something that would be very interesting, and possibly helpful, to publish in the Update and Memo. If some chapters could send fairly

detailed reports of their meetings and gatherings, it would give other chapters ideas of things they could do at their meetings. I know that in my chapter, things have gotten a little stale after ten years; we tend to do the same old things we have always done, and it may hurt attendance. If people could send these notes to me or to Ike Turner (at [yamatocomm@aol.com](mailto:yamatocomm@aol.com)), we could publish them for everyone to see and use.

The Region 2 Handbook project is moving along slowly. We have an outline and some excellent ideas for information we plan to include. The members of the committee will be myself, the VRC Jennifer Rosbury, the zone coordinators, one at-large member per zone, and present for an advisory capacity, IG Danny Potts. If you have concerns, questions or ideas about what will be in the Handbook, please contact your ZC. After the committee hashes out a preliminary document, it will be picked apart and polished, then put up for a regional vote, just like the Constitution was.

The next Region 2 Internet Chat will be on October 5, at 7 p.m. Central Time, 8 p.m. Eastern time. If you are not sure how to join an IRC chat, go to the [www.sfi.org](http://www.sfi.org) web site, and click on the Cyberspace button. There are directions on that page on how to install and use IRC software. You can join the Region 2 Chat in the same fashion you join the main Starfleet channel, #starfleet, except that the channel name is different. The R2 channel is #sfi-r2. I drop by often, so join any time, you never know who you will see there.

Our Region 2 Quartermaster now has various items for sale, including the polo shirts with the embroidered Region 2 logo that you may have seen at the Summit. I have placed an order for R2 patches, and other items will be come available one by one, in an order that the Commanding Officers and I choose, in a way to most benefit the region. The Region 2 Chief Quartermaster will handle all orders and will make a list of items and prices available. There is a list of items elsewhere in this issue.

As always, I am here to serve you. Report your problems and achievements in your monthly reports, and I will look to solve the first and congratulate you for the second. If you need to contact me, email is preferable; please limit telephone calls to weeknights no later than 9 p.m. or weekends no later than 10 p.m.

## FIRST AID PANEL AT REGION 2 SUMMIT 2001

Barbara Paul will be presenting the First Aid panel at the R2 2001 Summit, "Till help Arrives". As the RDC Medical, I will be assisting Barbara. This is NOT a certification class and NO cards will be issued for it, there will be NO skill demonstrations. It is strictly a lecture on what to do until professional help arrives. Barbara and I will 'discuss' the topics only. It will cost \$1.00 which will include a 16 page booklet, which covers the topics below, and which participants get to keep. The panel will address the following:

Recognizing Emergencies  
Emergency Action Steps  
Check, Call, Care  
If unable to speak, cough, or breath  
If not breathing  
If air won't go in  
If not breathing and no pulse  
If bleeding  
If burned  
If unable to move or use a body part  
If suddenly ill

If you are interested in attending this panel, we would greatly appreciate your letting us know by October 31, 2000, as we need to know how many booklets we need to order for the panel. Email Barbara Paul at: [tbrwolf@cyberhighway.net](mailto:tbrwolf@cyberhighway.net), or me (Rosa C. Jackson) at: [rjackson@evcom.net](mailto:rjackson@evcom.net) or [rcjackson3@juno.com](mailto:rcjackson3@juno.com), if you intend to participate in this panel. Thank you.
